Color is the language of light; it adorns the earth with beauty. John ODonohue, Beauty Color explores how we can read this marvelous language of light, heightening our awareness of the deep sense of beauty around and within us, within each living being, nurturing our sport224.coms: 5.

The Language of Light is the language of your Soul. As your innate language within the Universe of God/Source/Creation, it is a vast and powerfully transformative divine language with comprehension well beyond the mind.

The Language of Light A Personal Journey. Home. The Language of Light A Personal Journey. My first experience of the Language of Light occurred during meditation, accompanied by delicate and poignant melodies and a feeling of such pure Love that tears fell from my eyes.

I genuinely wanted to like this book, and even after reading it, I am convinced that there is an intelligent way to write about color, but this isn't it. The book is a facile, cut-and-paste collage of ideas with little or no original thought connecting or organizing them.
