Charles Hill's Global Business Today, 6e (GBT) has become an established text in the International Business market for several key reasons: (1) it is comprehensive and up-to-date, (2) it goes beyond an uncritical presentation and shallow explanation of the body of knowledge, (3) it maintains a tight /5.

The estimated amount of time this product will be on the market is based on a number of factors, including faculty input to instructional design and the prior revision cycle and updates to academic research-which typically results in a revision cycle ranging from every two to four years for this. Global Business Today is known for being practical, which is an important point as many instructors who teach this course are often not researchers, but come from the business world. The text is influenced by each of the author's extensive global consulting experience for Fortune sport224.com: 7. Charles Hill's Global Business Today, 3e (GBT) has become an established text in the International Business market for its excellent, but concise coverage of the key global issues including the cultural context for global business, cross-border trade and investment, the global monetary system and competition in the global sport224.com: \$
