Nectar in a Sieve is a novel by Kamala Markanday that was first published in

Nectar in a sieve isn't a story but collection of memories of days past and present. Set in a village in southern India, this is story of a woman and the hardships she faces with her family when the country is in the brink of industrialization and stepping out of decades of colonialism/5. Nectar in a Sieve is a novel by Kamala Markandaya. The book is set in India during a period of intense urban development and is the chronicle of the marriage between Rukmani, youngest daughter of a village headman, and Nathan, a tenant sport224.com: Kamala Markandaya. Nectar in a Sieve is Kamala Markandayas first published novel. This narrative focuses on the story of one woman living in poverty in rural India during a time of great change. Though the book meticulously avoids specifics about the time and place of the story, some context clues give us a sense.
